

## TYNGSBOROUGH SEWER COMMISSION

# Weekly Construction Update

## Phase 1 West Sewer Construction Project

APRIL 29, 2016

227919.01

### Construction

- Installed gravity sewer main and manholes on Flint Road.
- Installed gravity sewer main and manholes on Middlesex Road.
- Began installation of 8" force main on Middlesex Road and 4" force main on Flint Road
- Revoli to continue gravity sewer main and force main construction on Flint Road and Middlesex Road next week.

### Environmental Monitoring

- Straw wattles upstream of wetland near Flint Pond Pump Station continue to prevent silt and sediment from entering the wetland per MassDEP.
- Steve Erickson, Environmental Monitored visited and inspected site at Flint Road.

### Progress Summaries

| Location       | Sewer Main | Service Laterals | Final Paving |
|----------------|------------|------------------|--------------|
| Farwell Rd     |            |                  |              |
| Farwell Rd     |            |                  |              |
| Flint Rd       | Ongoing    |                  |              |
| Flint Easement |            |                  |              |
| Flint Pond Rd  |            |                  |              |
| Middlesex Rd   | Ongoing    |                  |              |
| Old Tyng Rd    |            |                  |              |
